Dear students of S.H. Ho College,

**Re: Hostel and Dining Fees of S.H. Ho College 2017-18**

1. **Hostel Fee**
   1.1. The College has approved that the hostel fee for the academic year 2017–18 will be adjusted according to the composite inflation rate of 3.16% in order to offset increases in hostel staff salary, utility rates, maintenance costs etc. The hostel fee will therefore be adjusted from $11,936 (2016-17) to $12,314 (2017-18) each resident for two academic terms.
   1.2. The College will provide a concession to SHHO students to fully cover the increase in inflation i.e. $11,936 x 3.16% = $378.00.
   1.3. Owing to this concession, the College will be able to charge the following concessionary rates in the academic year of 2017-18 i.e. $11,936 each resident for two academic terms or $5,968 each resident for one academic term.

2. **Dining Fee**
   2.1. The College has approved that the dining fee for the academic year 2017–18 will be adjusted from $32 to $34 per meal per student. The annual dining fee is calculated on the total number of dinner to be decided by Catering, High Table and Cultural Dining Committee.
